

January 2010

Season's Greetings

To our cherished Friends and Family of
the Amityville Animal Hospital,

Happy New Year! We truly hope your year is beginning well. We have been so blessed by all of you. Your kindness and generosity during the holiday season truly brought joy to our days as we cared for the wonderful animals that visit the Amityville Animal Hospital. We want to thank you for remembering us.

We as a staff truly are thankful to serve such a wonderful group of people and animals. It is a true joy to spend our days providing love and compassion for animals. From the new puppy that greets us with excitement, to the old faithful friend who has been coming for many years, each day we are reminded how precious these family members truly are.

Thank you again for all your kindness. We look forward to seeing you very soon.

Fondly Yours,

Dr. Reiland

&

The Staff of Amityville Animal Hospital
