

Happy Holiday's  
To Dr. La Croix  
and Dr. Herndon

I want to thank you both  
for giving me a full and happy  
life. I feel and look great.  
Also, a hello to Nina, Donna,  
Kelly, Deidre and Cheryl for  
all the hugs + kisses they gave  
me when I needed them.

My good friend Bear has since  
passed on to Kitty heaven.

"Happy New Year"

Your friend always,  
Fertis
