

I was running
in circles...

Dear Dr. Fondacaro,
Janet & I want to
thank you so very much
for your kindness, empathy,
and understanding,
with regard to Sophie,
She is doing very well
so far and maybe she
will be fine in the
long run. I also want to
thank you so very very much for
contacting VPI Pet Insurance
They did cover her treatment.
Your words obviously helped.
You will always be my

Dr. Fondacaro,

...until you stepped
in and helped.

Thank you

Here, however things
turn out. Sophie has a great
quality of life now and is
gaining weight.
With much appreciation
Debbie Gordon & Janet Reiss
