

*With Gratitude*

To Dr Carnero and  
the staff who was  
on Tuesday night 5/3/11

I Great  
It's good to know  
there ARE people out there  
who really do make  
a difference.

The words thank you are  
not strong enough to say,  
How I appreciate all you  
did to try + save Chatter's  
life that night. You all  
have that special love  
for animals. I will never  
forget you
