

Bright
Easter
Wishes

The text 'Bright Easter Wishes' is rendered in a playful, multi-colored font. The letters are filled with a fine, dotted pattern. The colors used are light green, light blue, and yellow. The words are arranged in three lines: 'Bright' on top, 'Easter' in the middle, and 'Wishes' at the bottom. The text is decorated with several small, stylized pink flowers with green stems and swirls, and several colorful Easter eggs (pink, purple, and blue) with various patterns. The overall style is cheerful and festive.

Dr. Carmichael,

I feel sooo much better
since meeting you, and
having you fix my teeth.
I try to take care of them,
even if i don't like the
toothpaste! I'm also trying
to eat better, and loose
some weight!

Thank-you for all your
kindness and caring.

Love Oliver

Dr. Carmichael

Wishing you
a warm and happy
springtime
and an Easter
bright with joy.

Love
Oliver
