Dear Dr. La Croix,

Thank you so much for the gentleness you showed Mai-Jai on Sept 16<sup>th</sup>, 2010 when Mai came to see you for his aging eyes. We were blessed that Mai got to meet you and have you as one of his doctors. It truly was wonderful to find out that you knew his cardiologist Dr. Bond. We were so worried about Mai's eyes and the kindness and compassion that you showed to us and Mai. Jai was extraordinary. Doctors like you are a true blessing to worried pet owners. We just wanted to say thank you for all you do.

Love & Happiness Always,

Patty & Carl Ann
