Dear Dr. LaCroix:

On behalf of the Veterinary Science Technology (VST) program and the VST 216 Surgical Nursing and Anesthesiology class, I would like to thank you for taking time from your busy practice schedule to lecture to the students about ophthalmology on April 22, 2010. Your lecture provided them with specialty information and expertise in preparation for and treatment of eyes.

Your dedication to the veterinary technicians of the future is appreciated as is your participation as an Advisory Member of the VST program.

Sincerely,

Dr. Elia Colon-Mallah
Coordinator, Veterinary Science
Assistant Academic Chair, Health Sciences
