

Thanks for being a superhero.

Dear Veterinary Medical Center Of Long Island,

Thank you for the outstanding care you provided recently for Herman Rose.

As a VPI® Pet Insurance policyholder, I feel it's important to provide my pet with the best care possible—and that's exactly what you did. Thanks for being a good human and caring so much about Herman.

*Thank you for the caring you gave
Herman. We appreciate the extra time
that you allowed to spend time with him.
Thank you for the pictures of Herman*

Sincerely, Susan Rose + Howard Berger
