

Thanks for being a superhero.

Dear Veterinary Medical Center Of Long Island,

Thank you for the outstanding care you provided recently for Herman Rose.

As a VPI® Pet Insurance policyholder, I feel it's important to provide my pet with the best care possible—and that's exactly what you did. Thanks for being a good human and caring so much about Herman.

Thank you for the caring you gave
Herman. We appreciate the extra time
that you allowed to spend time with him.
Thank you for the pictures of Herman

Sincerely, Susan Rose + Howard Berger
