

thank you

12/11
Dear Dr. Palladino, Aaron &
Staff at VMCI -

Thank you so much for all you did
to give Santa's life. She came to us
on Christmas four years ago & she is
a Christmas present once again.

We all appreciate your professionalism,
caring & warmth. Thank you from the
bottom of our hearts. We wish each of you
a blessed holiday season & prosperity in 2012.
Santa's family, The Gubers
