

A note especially for you...

Henry -
Thank you so much for your kind words and your kind
after we had your compassion
I hope you treated me like and
other, you treated me with warmth and to the
good friend - you are as sweet as the call of
understanding. You are my favourite beyond with me.
the hospital (and my way) talk me to have
reception desk! Give me a hand to have
duty your check-in has trucked me to have
the doctors & staff are just like my
special like you. Sebrina?
you are truly a kind!
me a truly kind!
Warm Regards,
Teresa Jay

...to say "thank you."
