

# Thank You

Joshua died on February 7, 2010.  
He was in bed with us,  
asleep in my arms when he took  
his last breaths.

To the Doctors and staff at VMCLI,

Don and I would like to thank you all  
for the excellent care you gave our Joshua.  
He was the best cat in the world.  
You gave him an extra couple of  
months with us, and for that we will always be grateful.  
The morning he died our hearts broke,  
but at least he was at home with us.  
I knew that night would be his last, so I held him  
on my chest for the few hours he had left.  
He died in my arms knowing we loved him.

Sincerely,  
Laurie & Don Miller
