

Thank You

3/3/10

Dear Dr Reid and Dr. Lang.

I want to thank you for doing that surgery on Rocko to remove his very large tumor. You gave me and my family 4 ^{more} months to enjoy my Dog. On march 27th sadly we had to put Rocko down. I thank you for giving me those 4 months, I will cherish it always. Thank you for your compassion and caring. I appreciate all your hard work.

Thank you,

Debbie + Joe
