

Dear Drs. Fondacaro, Palladino,
Nowowiejski + Hillock,

As you are aware, I gave my cat
Sabrina her final peace on Nov. 25th.
I just wanted to express my deepest
gratitude to you and to all the
wonderful staff at VMCI for the
excellent care you provided to
Sabrina during her illness. She was a
tough case and I know you did
everything possible to try to manage
her symptoms and alleviate her pain.
Based upon her condition, I felt
her little body was just too tired
to continue fighting and that it
was time to release her before
the situation turned desperate. →

The vacant look in her eyes told me
it was her wish as well.

Again, thank you for all your care,
support and tireless efforts.

I truly appreciate your attention
to Sabrina and your availability to
me when I needed to bring her in
or to speak with you on the phone.

Sitting Pretty

Henriette Ronner Knip

Most sincerely,

Valerie Accardi
